

 METZ®

MAGNA

Magna Lead

Magna Steel

Magna Chalk

Magna Olive

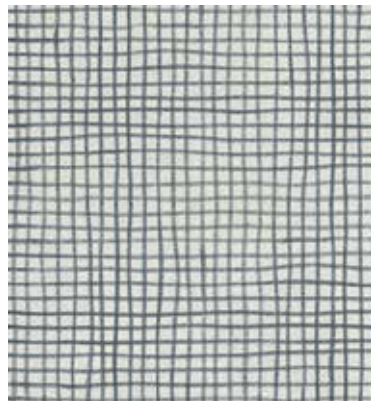

Magna Carbon

The surface of the Metz Magna tiles offers a subtle 3-dimensional look even though it is completely flat. It is reminiscent of fine fabric or stereoscopic images that seem to vary with the viewing aspect. The overall character strikes an excellent balance for the giant formats available with sufficient interest for standard size products. Also produced in several funky feature designs – Sketch.

Decor Tiles

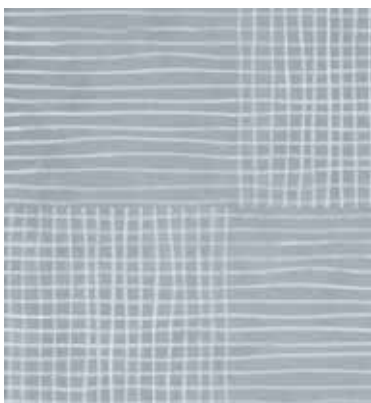

MAGNA SKETCH 1

MAGNA SKETCH 2
