

Vortice Lava Mosaic

Vortice Desert

FLOOR & WALL // Vortice Rock

Vortice Lava

Vortice offers a blend of aggregate looks found mainly in sedimentary stones and cements with the swirling type veining more common to volcanic stone to create an appearance with a fine balance of interest without dominating a décor.

FLOOR & WALL // Vortice Snow

**VORTICE MICROGRIP®**

SLIP RESISTANCE // HIGH / R12 / P5 / C

600 x 600 R

LAVA, ROCK

Vortice MicroGRIP® provides high slip resistant performance for demanding commercial traffic areas, external paths and ramps. The flat mild textured surface of the MicroGRIP® finish provides the ideal balance between long term sustainable slip resistance and ease of cleaning. All colours and formats in Metz Element can be produced in the MicroGRIP® surface, however minimum quantities may apply for other than the items shown.
